## ACKNOWLEDGEMENTS

As Event Secretary to the Championship, I have to thank many people for the help so freely given, both on the day and beforehand.

London Group members were circularised and all responded, those not committed elsewhere readily offered their services, the upshot being a comprehensively marshalled course, with emphasis on the turning points. This before being told of the 'goody-bags' which were to be distributed!

Signage is a pretty arduous job these days and what a blessing it was to have Roy May and Rocco Richardson take care of that.

In acting as Timekeeper at the start, Alan Hodgson had the opportunity of studying the expensive machinery on display as he sent the riders on their way whilst Marion Fountain at the finish, fortunately ably assisted by Cecil, Bill and Chas, had little or no time to take her eyes off the road and the clock as she recorded the lap times in addition to the final times.

Once his ride was over, Mick Fountain reverted to his favourite pastime, entering times and publishing lists, ready for re-printing prior to being posted on the result board.

Gordon Wright was a true Master of Ceremonies as he kept the audience entertained prior to the prize presentation.

The two ladies in the 'canteen' kept pace with the demand and at no time were 'out of sight—out of mind'.

As the list elsewhere shows, there were many more helpers than those mentioned above and I thank them all sincerely.

Finally I thank those riders from 'North of Watford Gap' who travelled a long way in order to take part and to show the soft southerners what they are made of.

In conclusion: thank you Martyn for presenting the awards and making such a contribution to the morning. The same to Brian Jones of Kimroy for the unparalleled excellence of his photographs and his generous 'arrangement' which enabled the production of result cards containing individual photographs of each rider.

Last but not least, thanks to the Westerley CC for the loan of the Result Board apparatus and the Newbury Road Club for signs.
