

Veterans Time Trials Association Scotland Group Recorder Report 2025

Jon Fairclough, 3rs November 2025

Overview

Chris Smart is the winner of the SVTTA Best All Rounder, Three Distance and Short Distance competitions. He is also the fastest SVTTA BAR rider. Well done to him for consistently great riding! I hope he has room to store all the silverware. Liz Ball was runner up in the BAR and the Three Distance, which caps an outstanding season for her. Marc Anderson and Sean Quinn were the other two riders to complete the BAR. Margaret McMillan is the winner of the Ladies Short Distance competition.

We had 41 new Scotland age records this year (compared with 23 last year) and 14 National Records, the majority of which were set at Caird Park on the track day.

This year we have 33 standards medal winners and 18 plaque winners. Three or more performance improvements are needed to win a plaque. Achieving standards awards is more popular in Scotland than in any other VTTA group.

From the data used to compile the report I have evaluated four key metrics to measure the health of our sport. In the table below you can see a pleasing increase in the number of rides and riders at standard distance in UK events in 2025. In the period 2022 to 2025 the membership is stable – the snapshot is taken in the months June/July. In summary, we are not seeing the decline in Time Trialling in Scotland that has been reported in England.

Metric	2025	2024	2023	2022
Number of Rides in open events at standard distances	482	388	456	419
Number of Riders in open events at standard distances	97	81	89	85
Number of open events at standard distances that SVTTA riders took part in	62	67	79	66
Number of Members	200	203	200	205

Congratulations to all the winners. Awards will be presented at the Annual Lunch on January 18th. Contact George Skinner at georgeskinner22@yahoo.co.uk for details.
