# Introduction

After receiving some membership feedback from the 2025 season, it was clear that the Yorkshire Group needed to communicate with members on locally organised competitions through a booklet like this one. VTТА Yorkshire have a facebook group and we do have our area in the national VTТА website, so information is always on these platforms, but there is always room for more. With this in mind we decided to start with this small publication for the 2026 season, mainly aimed at the racing we are organising and our race competitions. Depending on its usefulness we may expand it.

When reading this booklet, please remember as a racing member you can still compete for the below, that are national governed schemes controlled by the VTТА NEC,

- Personal Performance Awards (awarded at the Yorkshire Luncheon and co-ordinated by the Yorkshire Recorder)
- National Season Long Competitions (BAR, 3 Distance and Short Distance Competitions)
- National Age Records
- Yorkshire Age Records (recognised with certification at the Yorkshire Luncheon produced by the Yorkshire Group Committee)

Please see the VTТА website for details or contact a Yorkshire committee official for more detailed information.

We detail in this document our new for 2026 race volunteer's recognition scheme.

Attendees at the inaugural meeting of VTТА (Yorkshire), September 1945, at Clifford near Boston Spa.
