Veterans Time Trials Association Scotland Group Recorder Report 2026

Jon Fairclough, 26th October 2026

Overview

This year we had a spread of winners of the competitions. Angus Wilson won the SVTTA Best All Rounder, Douglas Watson won the SVTTA Three Distance, Marc Anderson won the Open Short Distance and Margaret McMillan won the Ladies Short Distance. Marc Anderson was the fastest SVTTA BAR rider.

We had 76 new Scotland age records this year (compared with 41 last year) and 34 National Records.

This year we have 25 performance award medal winners and 17 plaque winners. Three or more performance improvements are needed to win a plaque. Well done to everyone maintaining or exceeding their performance standards as they get older. 79 members raced open events in 2026, and 53 of them won performance awards. That is two thirds of the racing members! It is a statistic the SVTTA can be proud of.

Awards will be presented at the Annual Lunch at 1200 on Sunday 17th January at McQ's Tartan Arms, Bannockburn. John Campbell is the organiser (johncampbell27@icloud.com). Please contact him for details tickets.

From the data used to compile the report I have evaluated five key metrics to measure the health of our sport. In the table below you can see in the period 2022 to 2026 the membership is stayed steady at 200 or over – good, considering it is declining nationally. However there is a decrease in the number of rides and riders at standard distance in UK events in 2026 – back to the 2024 level. The number of open event rides per rider has also fallen. I suspect this is mainly caused by the fall in the number of open events that SVTTA riders took part in – which means there were fewer events to ride. My conclusion: we need more open events!

Metric	2026	2025	2024	2023	2022
Number of Members	207	200	203	200	205
Number of Rides in open events at standard distances	351	482	388	456	419
Number of Riders in open events at standard distances	78	97	81	89	85
Open event riders per rider	4.5	5.0	4.8	5.1	4.9
Number of open events at standard distances that SVTTA riders took part in	44	62	67	79	66
