If you are over 40 and time trialling is your thing, then join the VTТА

The VTТА encourages all aged 40 and over to strive to be the best they can

YOUR best will be recognised

We have approximately 2500 members spread across 16 regional groups, providing UK wide activity.

We promote about 100 time trial events a year, including eight national championships from 10 miles right up to 24 hours; we also run three season long national competitions over a range of distances.

The local groups also offer competitions and awards for their own members.

All events and competitions are run on our age adjustments system, which is gender specific so women and men from 40 to over 90 can compete against each other with an equal chance of winning a prize.

Riders can also compete 'against themselves' in individual challenges called 'Standards', in which your performance is compared against previous seasons.

We also manage national and group age records for men and women at the different time trial distances and on indoor and outdoor velodromes.

Members receive four magazines per year and our annual handbook, either in print or digitally.

Membership fees vary by group (due to varying localised costs and member benefits) but is typically about £20 plus a modest additional optional fee for Standards entry. Most members retain membership of their cycling club whilst a VTТА member, but you can join the VTТА and race with it as your main club if you wish.
