

How to Link Your CTT and VTTA Accounts

Version 11: 6th October 2026

You need to give permission on both the CTT and VTTA websites to link your CTT and VTTA member accounts so that the VTTA can get your CTT Results. Linking the accounts also makes you eligible for VTTA Events, Season Long Competitions, Age Records and Performance Awards. If you are going to race in CTT events, you must do this as soon as you join the VTTA. If you let your VTTA membership lapse, your CTT-VTTA account link will be broken and you will need to relink if you rejoin.

Linking procedure

Step 1 Obtain Verification Code from CTT site

- Login to your CTT account at www.cyclingtimetrials.org.uk.
- From the Home page click on “My Account” and then “My Rider Profile”. Scroll down to Connected Apps. Click to view your CTT Verification Code and make a note of it, with your CTT Rider ID.

Step 2 Enter Verification Code on VTTA site

- Login to your VTTA account at www.vtta.org.uk – you can use the link in the CTT Connected Apps panel
- Click the “Link My Account now” button. This takes you to a screen where you enter your CTT Rider ID and Verification Code and link your accounts.

Once you have linked you should...

Enter the Season Long Competitions

If you want to enter one or more of the VTTA’s season long competitions, then click the ‘Competitions’ tab at the top of the membership profile page and tick the competitions you want to enter. This is a one-time action.

Synchronise your Club names

The linking mechanism does not synchronize your CTT Club name and VTTA Club name. Your CTT Club name is maintained centrally by the CTT system. Changes are not propagated to the VTTA system. You should edit your VTTA profile so that your Club name exactly matches the CTT Club name. The VTTA Season Long club competition depends upon having an exact match.

Note

- If you let your VTTA membership lapse or you resign, your CTT-VTTA account link will be broken and you will need to relink if you rejoin.
- If you have any queries, email itsupport@vtta.org.uk. Do not contact the CTT.
