THE VTTA - A SHORT CHRONICLE

E H Strevens September 1945

E H Strevens (initials were *de rigueur* in the past) established in the North London area in 1939 an organisation (indeed he was that organisation), by the name of Nor-O-Lon for the promotion of Veteran Time Trials and these he both ran, financed and developed until by his inspiration and enterprise there was formed, in the spring of 1943, the Veterans Time Trials Association with Mr Strevens as its first Secretary. The inaugural meeting was held at The Old Sal, Barnet, on Monday 7th March 1943 to which prominent veteran riders of the day were invited to attend and forty-five of whom did.

The VTTA, at its inception, visualised “a nation-wide organisation offering congenial membership and road competition for all over-40 cyclists, no matter where they may reside”.

It remained an all male organisation until 1971 when London Group finally managed to effect a change of rules which allowed applications from women to be accepted.

An early edition of the magazine contained the following proclamation:

“As we ‘grow up’ we discover that life is a series of revelations, each more attractive than the last. We call ourselves ‘Veterans’, but only the under 40s regard the word as meaning ‘has beens’. We know that the most

satisfying feature in life’s continuous approach to maturity is the stuff called experience and the wiser expertness that solidly emphasises the worthiness of achievement. Only the misguided folk who stop natural bodily exercise unwind from early middle age to decrepitude. The fit man blossoms as he takes on years.

One thing only we lose as we grow older – whip cord fleetness. But there still remains the competition, the club companionship and rivalry, the grand enjoyment of cycling and – The Game”.

By September 1944, membership was 157.

In June 1947 a ‘Special Luncheon’ was held which was attended by thirty people and the whole affair was paid for by the President, E H Strevens.

Much has changed since then. Membership rose rapidly in the post-war boom, and has steadied at around 2500 today.

VTTA CONSTITUTION, RULES AND REGULATIONS

(As updated 18th January 2025)

- 1.1 The VTТА is the National Authority promoting Time Trialling for cyclists who are 40 years of age and older.
- 1.2 All VTТА events are open to any cyclist of 40 years of age and older and shall be conducted in accordance with Cycling Time Trials (CTT) or the Scottish Cyclists' Union (SC) Regulations.

2 RULES

2.1 The Association

- 2.1.1 The name of the Association shall be the VETERANS TIME TRIALS ASSOCIATION. Membership shall be open to all cyclists who are 40 years of age and older.

2.2 Management of the Association

- 2.2.1 The management of the Association shall be vested in an elected National Executive Committee (NEC) consisting of a President, Chairman, Treasurer and such other officials as are necessary to conduct the work of the Association. The NEC will be supported by a National Forum comprising a representative from each of the groups. The National Forum will be consulted on, and may advise on and assist with, significant changes to the Association.

2.3 National Executive Committee Meetings

- 2.3.1 The NEC shall meet quarterly, or as required, to transact the affairs of the VTТА. Meetings may be held face-to-face or using electronic media (e.g. Zoom). Five members shall form a quorum. In the absence of the Chairman, an officer of the Committee shall be elected to take his/her place on the day. Any member of the Committee who is absent from three consecutive meetings without prior arrangement shall be deemed to have resigned from the committee who shall have the power to fill the vacancy.
- 2.3.2 Any VTТА member may attend and speak at NEC meetings, but may not vote. (The Chairman may decide that agenda items are not appropriate for open discussion and these

items will be taken in private session with only NEC members in attendance.)

2.4 Powers of the National Executive Committee

- 2.4.1 The NEC shall have the power to appoint one or more administrative officers to assist with the running of the Association in accordance with the instructions of the NEC. The NEC may also determine a remuneration for such posts and whether the post should entail full co-opted membership of the NEC. Such office holders are expected to be members of the Association unless they are under 40 years of age.
- 2.4.2 The NEC shall have the power to co-opt additional members in order to carry out tasks necessary for the smooth running of the Association. These members will have the same voting rights as other NEC members.
- 2.4.3 The NEC shall have the power to appoint sub-committees that shall prepare minutes of their proceedings. Minutes of NEC and sub-committee meetings will be copied to all NEC members.
- 2.4.4 The NEC shall have the power to take such steps as may be deemed necessary to carry out the programme of events for the current or following season.

2.5 NEC Expenses

- 2.5.1 NEC members may claim reasonable expenses (as agreed by the Committee) for attending meetings, for attending national championships as the NEC representative and for reimbursement of administrative expenses. Expenses claims must be approved by 3 members of the NEC.

2.6 Duties of National Officers

- 2.6.1 Job descriptions will be provided for all members of the NEC and may be amended as necessary by the NEC.
- 2.6.2 The National Treasurer shall keep proper accounts of the monies of the VTТА and manage the VTТА's bank accounts. All

expenditure must be approved by the Treasurer and at least two other officers with written authorisation (by email) obtained by the Treasurer from two of the following: Chairman, Vice-Chairman, Editor or IT Manager. Cheques must be signed by the Treasurer and one other approved signatory.

2.7 Financial Year

2.7.1 The VTТА's financial year shall commence on 1st November and end on 31st October, after which date the National Treasurer shall prepare a Balance Sheet and Accounts for the year. An Auditor elected at the previous AGM will audit these. The Balance Sheet and Accounts shall be submitted to the NEC for approval and subsequent presentation to the AGM for ratification.

2.8 Formation of Regional Groups

2.8.1 The VTТА shall be divided into Groups as may be necessary.

2.8.2 The minimum number of members to form a Group shall be ten. The NEC shall have the authority to sanction the formation of a Group with fewer than ten members if they consider the circumstances are justified.

2.8.3 A member shall have the right to choose the Group to which he/she wishes to be attached. A member wishing to change from one Group to another may only do so between 1st December and 28th February. They should notify the National Membership Secretary (NMS) of their request prior to renewal. Once the transfer is confirmed by the NMS with the relevant Group Secretaries, the NMS will advise the member that a membership invoice has been set up for their new group and they may now renew.

2.8.4 All Groups shall affiliate to their local District Council of CTT.

2.8.5 Each Group shall elect its own officials for the purpose of local administration and the observance of the National Rules and Regulations.

2.8.6 All Group officials shall act in accordance with the instructions of the NEC.

2.8.7 Where Groups are not self-supporting the NEC may, when it is deemed necessary, afford financial support.

2.8.8 Each Group shall be run as a club, hold an AGM and make such extra rules and arrangements for the running of the Group as may be considered necessary, provided they do not conflict with the National Rules and Regulations of the VTТА.

2.8.9 In the event of the dissolution of a Group, monies and assets held by that Group should be distributed to such cycling organisations or charities as the Group's membership think fit.

2.8.10 Each Group Committee shall have the authority to suspend and/or expel a member for conduct considered detrimental to the VTТА. Such suspension/expulsion to be confirmed or reversed by a subsequent general meeting of the Group Membership.

2.8.11 Copies of the Minutes of all meetings (signed by the Group Chairman and Secretary) shall be available for submission to the NEC.

2.8.12 Each Group shall consider the Agenda of the National AGM, as issued by the National Secretary, in order to mandate its delegates on proposals on the Agenda.

2.9 Subscriptions

2.9.1 The annual subscription shall consist of two parts, payable together.

(a) A National subscription which shall include the cost of *The Veteran* and will be determined by the NEC and advised to Groups by 31st August for the coming year. Subscriptions will be ratified at the National AGM.

(b) A Group subscription which will be advised to the NEC by Group Committees by 30th September for the coming year.

2.9.2 The combined subscription for any member is payable on application and on 1st January of each year thereafter. New members applying after 30th September in any year will be entitled to membership until 31st December of the following year. Similarly, members renewing after 30th September will be entitled to membership until 31st December of the following year.

- 2.9.3 An applicant for membership must complete the prescribed form and submit it with the appropriate subscription to the Secretary of his/her chosen Group or join using the VTТА website. If the applicant is declined, the subscription will be returned.
- 2.9.4 Where one member of a household is a member, a second member resident at the same address may join at a reduced rate to be determined annually at the National and Group AGMs as appropriate. The second member will have the same rights and privileges as the primary member but will not receive personal copies of VTТА publications. They will be referred to as 'primary' and 'secondary' members in a 'joint membership'.
- 2.9.5 A member who has not paid his/her subscription by 28th February in any year shall forfeit all rights and privileges of membership.
- 2.9.6 At the end of each quarter the National Treasurer shall send to Group Treasurers a statement of all national subscriptions due from their group according to the National Online Membership System during the last quarter. Group Treasurers should then make the required payment within four weeks of receiving the statements. For the purposes of this rule, quarters shall consist of the three month periods ending 31st March, 30th June, 30th September and 31st December.

2.10 Categories of Life Membership

There are three types of life membership: Life Membership, Honorary Life Membership, and Distinguished Life Membership.

2.10.1 Life Membership

Note - This category of membership is discontinued with effect from 27th January 2018. Existing Life Members retain their benefits and must continue to pay for the Veteran at a rate to be determined by the NEC that reflects current production and postage costs.

2.10.2 Honorary Life Membership

Honorary Life membership will be granted to any member of 80 years of age (or over) who, in the opinion of their group committee, has made a significant contribution to the VTТА. HLM Membership will include receiving copies

of *The Veteran* and the VTТА Handbook free of charge.

A Service Award demonstrates a significant contribution.

Where a joint member becomes an Honorary Life Member, Group committees will have the discretion to allow the other partner to remain a member in his/her own right without paying an annual individual subscription. They will not receive an additional copy of *The Veteran*. In the event of the death of the Honorary Life Member, Group committees will have the discretion to continue the partner's membership (if they so wish) and to send them VTТА publications as appropriate, with no subscription payable (in effect continuing the Honorary Life Membership).

2.10.3 Distinguished Life Membership

Distinguished Life Membership may be awarded to members who, in the opinion of the NEC, have rendered singular and meritorious services to the VTТА. Distinguished Life Members will receive copies of *The Veteran* and the VTТА handbook free of charge.

Where a joint member becomes a Distinguished Life Member, Group committees will have the discretion to allow the other partner to remain a member in his/her own right without paying an annual individual subscription. They will not receive an additional copy of *The Veteran*. In the event of the death of the Distinguished Life Member, Group committees will have the discretion to continue the partner's membership and to send them VTТА publications as appropriate, with no subscription payable (in effect continuing the Distinguished Membership).

2.10.4 Service Recognition Award

A Group or the NEC may present a 'VTТА Service Award', to a member who they wish to recognise for outstanding services to a Group or the Association, regardless of age or length of membership. The award comprises a certificate and a pin badge or medal and will be reported in *The Veteran* and in a 'Roll of Honour' on the website.

2.11 National Annual General Meeting

2.11.1 All VTTA members are entitled to attend the National AGM where they may speak, but they are not entitled to vote unless they are delegates for their Groups.

2.11.2 Those entitled to vote at the National AGM shall be:

Two delegates representing each Group plus a further delegate for every 100, or part of 100, members in excess of 200; and two delegates representing the NEC. Membership numbers will be taken as at the previous 30th September on the membership system.

2.11.3 Voting at an AGM shall be by a show of hands unless the meeting demands that a ballot is taken. The Chairman shall have only a casting vote.

2.11.4 When a Group is not represented, any proposal tabled by that Group on the Agenda can be taken up by any Group who would have supported the motion if they so wish.

2.11.5 The National AGM shall elect a President, who may hold office for five years and may be elected for no more than two terms. Nominations for President must be submitted to the National Secretary not later than 21st November for inclusion in the Agenda and publication in *The Veteran*. The AGM shall also elect the NEC for the ensuing year.

2.11.6 Not less than 14 days' notice of the AGM shall be given in *The Veteran*, on the website and sent to Group Secretaries who shall furnish the names of their delegates to the National Secretary as soon as they have been appointed. A copy of the agenda of the meeting shall be published in the current issue of *The Veteran* and also sent to Group Secretaries and delegates. Fifteen delegates and/or ex-officio members shall form a quorum.

2.11.7 Motions for the National Annual General Meeting can be submitted only by:

(a) the NEC

(b) Groups – providing the motion has been agreed by a majority at the Group AGM or if the Group AGM falls after 21st November by the Group Committee if they so agree.

(c) the National Forum

Such motions must reach the National Secretary not later than 21st November of the respective year.

2.11.8 Any matter not on the National AGM Agenda may be brought forward without notice provided that it does not involve the alteration of any rule or regulation and subject to the consent of two-thirds of those present and voting.

2.11.9 A special meeting may be called by the NEC or, alternatively, by the National Secretary on receiving a request signed by 25 members. All members entitled to attend shall receive 14 days' notice of the special meeting with a copy of the agenda stating the special business to be transacted.

2.12 Alterations to Rules and Regulations

2.12.1 No alteration or addition to these Rules shall be made except with the consent of not less than two-thirds of the members present and voting at the AGM or at any special meeting for this purpose. Alterations or additions to Regulations at such meetings will be decided by a simple majority.

3 REGULATIONS

3.1 Time Trials Regulations

3.1.1 All VTTA time trials shall be run in accordance with the rules and regulations of CTT or SC. VTTA time trials will be Type A events: either 'Open', 'Semi-open' or 'Association', as defined in the CTT regulations.

3.1.2 Any member wishing to enter a time trial shall submit to the Event Secretary a standard CTT entry form, properly completed, or enter via the Cycling Time Trials Entry System. Any member wishing to enter a time trial held in Scotland shall enter via the Cycling Time Trials or Scottish Cycling entry system as appropriate.

3.1.3 In all VTTA events, only VTTA members will be eligible for any of the awards made on Age Adjustment (or on Standard).

3.1.4 Only first-claim members of a club are eligible for team awards in events promoted by the VTTA.

3.1.5 Overall prizes in all VTTA events shall be decided on the basis of the official VTTA Age Adjusted Tables (or Standard Tables). Other prizes may be awarded at the discretion of the organiser.

3.1.6 12 hours and 24 hours distances should be calculated in miles to two decimal places.

3.2 Regulations for Standard Awards

3.2.1 Standard Medals will be awarded for rides at 10, 15, 25, 30, 50 and 100 miles, 12 hours and 24 hours based on the VTTA Age Adjusted Tables. Riders' improvements on the website will be shown on both age adjusted time (or distance) and also on plus (or minus) using the Standard Tables. Groups may allow standard medals to be engraved with actual times, age adjusted times, or plus.

3.2.2 Any VTTA member may attempt to gain VTTA standard medals in any Open, Semi-Open or Association event authorised by CTT or the SC. Events that are eligible for Standards shall also be eligible for Records, Best All Rounder Competition (BAR), Three Distance Competition, Short Distance Competition and Trophies.

Scotland Group may allow its members to claim standard awards in Scottish Cycling club events and CTT 'B' type events. Such events must be run on type 'A' classified courses and with due timekeeping and recording requirements. Results from such events will not be recognised for VTTA Season Long Competitions or Records.

Note to above: Scotland members would need to submit a documented result to the Group Recorder, eg an image of club facebook/website page or an image/copy of the paper result. The Group Recorder would verify the result as adequately documented and manually upload claimed results onto the national website for the purpose of standards claims only.

3.2.3 Applications for standards may be made as follows:

Any number of attempts per season at all distances or times on one type of machine.

3.2.4 Members competing for Standards must have linked their CTT and VTTA accounts, so their improvements can be notified on the website. (Members without IT access may approach their Group Secretary or Recorder for assistance.) The Standards automation system will show baselines and improvements for all members with linked accounts.

3.2.5 Members' applications and payments for Standards must be made online or by post prior to any event for which they subsequently claim a standard.

3.2.6 Each Group shall be allowed to determine its own standard ride entry fees. Payment of one fee covers only one type of machine.

3.2.7 Only one award for a ride at each distance will be made during any one year, but there is no limit to the number of attempts that may be made.

3.2.8 Claims for Standards must be submitted via the website at the end of the racing season or not later than 31st October. (Members without IT access may approach their Group Secretary or Recorder for assistance to process their claim.) Successful claims will be rewarded with medals or plaques as determined by each Group.

3.2.9 Each VTTA Group may elect to have either Standard or Actual times engraved on Standard Medals/Plaques.

3.2.10 Once a rider has won a Standard Award, the rider must improve on their previous best Age Adjustment (or Standard plus/minus) in order to obtain another award in a later age group. However, if a rider has not claimed in the three calendar years since their last award they may request their group recorder to change their baseline from their last award to their current Age Adjustment/ Standard.

3.2.11 Standard awards do not discriminate as to whether a rider competes on a time trial bike or a road bike. If a member who has previously competed for standards decides to change from a time trial bike to a road bike their Group Recorder should reset their baselines.

3.3 Regulations for Age Records

- 3.3.1 Road record rides will be recognised only when achieved in events authorised by CTT or the SC, timed on watches complying with the requirements of those bodies and run in conformity with their regulations.
- 3.3.2 Record Certificates are awarded for rides at 10, 15, 25, 30, 50 and 100 miles, 12 hours and 24 hours to riders of solo bicycle, solo tricycle, tandem bicycle or tandem tricycle (Open, Women and Mixed) in any Open, Semi-Open or Association event authorised by CTT.
- 3.3.3 The VTTA also recognises Indoor and Outdoor Track records on solo bicycle and tandem bicycle at the following distances: 5, 10 and 25 miles; 1 hour; 5, 10, 20, 50 and 100 km. Records in the VTTA Handbook are as at 31st October of the previous year. Indoor track records must be set on a track (fixed wheel) bike. Outdoor track records may be set on a track (fixed wheel) bike or on a road/time trial bike.
- 3.3.4 A claimant for any records must be a paid-up member of the VTTA at the time of the ride.
- 3.3.5 No record will be considered if a better time or distance has already been achieved by a record holder of a greater age.
- 3.3.6 Provisional road time trial record claims from 2023 are automatically identified from CTT results once they have been loaded to the CTT website and transferred to the VTTA system. Provisional claims are notified to both the provisional record holder and to the relevant Group Recorder for a group age record and to the National Road Records Secretary for a national record. Once ratified by the Group and/or National Recorder, the holder is notified automatically and the record is marked as ratified.

Note on records claimed in Scottish Cycling events – a group or national record claimed in a Scottish Cycling event must continue to be submitted manually on a claim form to the Group Recorder and National Road Records Secretary if applicable.

- 3.3.7 Claims for national track records must be made manually using the form available on the

website. Track record attempts should be notified in advance to the National Track Records Secretary. The National Track Records Secretary will ratify a record claim, and if approved, will enter it onto the Age Records system. Track records claims must be made not later than 31st October of the current year giving full details of the record together with a detailed hard copy or electronic version of the lap timings.

3.4 Regulations for National Championships

- 3.4.1 National Championships will be promoted on behalf of the NEC at 10, 15, 25, 50 and 100 miles, 12 hours and 24 hours, subject to the national availability of events. There will also be a national road bike championship to be held on a suitable course and distance between 20 and 40 miles. The dates of all National Championships will be published in the VTTA Handbook.
- 3.4.2 To be eligible for Championship awards, riders must be paid-up VTTA members at the closing date for entries and have linked online VTTA and CTT accounts (so their membership can be automatically verified). Riders who are aged 39, but who will be aged 40 by the day of the Championship, may apply to the Championship organiser to be included on condition that they will have completed an online membership application prior to the day of the championship which the organiser can check.
- 3.4.3 Each of the Championships will incorporate open and female classifications, and include bicycles and tricycles. Where the event is run by a VTTA Group and it is oversubscribed, acceptance of entries shall be in order of fastest Age Adjusted performance at the time or distance, or on best on Standard with preference given to VTTA members.
- 3.4.4 The open and female classification riders with the fastest Age Adjusted Time (or Age Adjusted Distance for 12/24 hours) will be declared National Champions and will each receive a championship jersey.
- 3.4.5 Medals will be awarded to the first three open classification and to the first three female classification riders overall on fastest Age

Adjusted Time (or distance). The first will receive a gold medal. The second will receive a silver medal. The third will receive a bronze medal.

- 3.4.6 Club teams shall consist of three first-claim members of the same club. Group teams shall consist of three members of the same Group. In each case, the team with the fastest aggregate of its three fastest Age Adjusted Times (or Distances) shall be the Championship Team and a medal will be awarded to each member of the team.
- 3.4.7 Tandem Championships will be run in conjunction with the solo Championships and the pair with the fastest Age Adjusted Time (or distance) will be the Tandem Champions and will receive VTТА gold medals.
- 3.4.8 All VTТА awards will be made regardless of the number of entries and irrespective of any prizes given by the promoting Group.
- 3.4.9 The NEC may endorse other events to further the development of veterans' time trialling. These may use the term 'championship' but are not covered by the 'National Championship' regulations as stated above (paragraphs 3.4.1. to 3.4.8) and therefore have flexibility in what awards are provided by the organiser (e.g. closed circuit championships).

3.5 Regulations for the BAR Competition ***Qualifying events must be Type A events approved by CTT or approved SC events.***

- 3.5.1 A Best All Rounder competition is promoted annually by the VTТА and is open to all its members. Riders must be paid up members at the date of all their eligible rides. They must also, prior to any eligible ride, have linked online VTТА and CTT accounts and registered in their website Member Profile the competitions they wish to enter. Eligible rides must be done in events authorised by CTT or SC and shall be over 25, 50 and 100 miles and 12 hours.
- 3.5.2 The closing date for eligible events to count will be 31st October.
- 3.5.3 The BAR competition will be based on the rider's average 'Age Adjusted' speed across 25, 50, 100 miles and 12 hours.

For 25, 50 and 100 miles the average speed is the distance divided by the 'age adjusted' time.

For the 12 hour the average speed is the 'age adjusted' distance divided by 12.

The four average speeds are added together and divided by 4, calculated to 3 decimal places rounded down. The rider with the highest 'age adjusted' average speed will be the winner of the BAR Competition.

Age adjusted times and distances will be calculated using the Age Adjustment Tables for classification and type of machine.

- 3.5.4 The status of the competition is reported on the website throughout the season. At the end of the season members should check their reported performances. In the event of any query or omitted result they should report the amended or additional performance, appropriately evidenced, to their Group Recorder. If the Group Recorder accepts an amended or additional result, they should update the website results, and also notify the IT Manager of the change. Any amendments must be notified by 31st October of the current year.
 - 3.5.5 BAR Certificates shall be presented to all riders completing the four distances. Tandem riders who complete all distances with the same partner are eligible for certificates, but not for any other awards. Medals will be awarded to the first three open classification riders and to the first three female classification riders on age adjusted average speed. The first will receive a gold medal. The second will receive a silver medal. The third will receive a bronze medal.
 - 3.5.6 For the BAR club teams shall consist of three first claim members of the same club on age adjusted speed. Group teams shall consist of four members of the same Group on age adjusted speed. Medals will be awarded to each member of the winning teams.
- ### **3.6 Regulations for the Three Distance Competition**
- 3.6.1 A Three Distance Competition will be promoted annually over 25, 50 and 100 miles.

- 3.6.2 The Three Distance competition will be based on the rider's average 'Age Adjusted' speed across the three events comprising 25, 50 and 100 miles. The rider's average speed will be calculated by adding together the 'age adjusted' speed for their best performance at each of the three events and dividing by 3.

The three average speeds are added together and divided by 3, calculated to 3 decimal places rounded down. The rider with the highest 'age adjusted' average speed will be the winner of the Three Distance Competition.

- 3.6.3 All other conditions of qualification to this competition shall be those of the BAR Competition. Individual awards shall be the same as for the BAR competition. Club teams shall consist of three members and Group teams of four members. Medals will be awarded to each member of the winning teams.

3.7 Regulations for the Short Distance Competition

- 3.7.1 The Short Distance competition will be based on the rider's average 'Age Adjusted' speed across the four events comprising two 10 mile and two 25 mile events. The rider's average speed will be calculated by adding together the 'age adjusted' miles per hour for their best and second best performances at 10 miles and at 25 miles and dividing by 4.

The four average speeds are added together and divided by 4, calculated to 3 decimal places rounded down. The rider with the highest 'age adjusted' average speed will be the winner of the Short Distance Competition

- 3.7.2 All other conditions of qualification to this competition shall be those of the BAR Competition. Individual awards shall be the same as for the BAR Competition. Club teams shall consist of three members and Group teams of six members. Medals will be awarded to each member of the winning teams.

3.8 Entry to, and Claims for, the BAR, Three Distance and Short Distance Competitions

- 3.8.1 There are no entry fees for the BAR, the Three Distance and the Short Distance Competitions. Members will be automatically included in the Competitions if they have linked VTТА and

CTT accounts and are registered for one or more of the Competitions.

- 3.8.2 In the three season long competitions riders can only make one solo claim and/or one tandem claim.

3.9 Meritorious Award

- 3.9.1 The C. W. Cooke trophy is awarded annually to the rider whose performances are considered by the NEC to be the most meritorious during the season. Nominations from Groups should be received by the National Secretary no later than 21st November.

3.10 Bricknell Memorial Award

- 3.10.1 This award was created to perpetuate the memory of former President Ted Bricknell and provides for the presentation of an annual prize, new each year, in recognition of outstanding services to the VTТА. Nominations from Groups should be received by the National Secretary no later than 21st November each, following which the NEC shall decide the name of the recipient.

3.11 Return of Trophies

- 3.11.1 Should there be a time when a trophy or trophies is/are no longer required for presentation (e.g. the demise of the VTТА or abandonment of events at specific distances) then all reasonable measures will be taken to return them to the original donors or their heirs. In the event that they cannot be traced they shall be offered to such cycling organisations as the NEC think fit.

AGE ADJUSTMENTS - A SHORT EXPLANATION

In keeping with the VTTA ethos of 'Competitive Cycling for Life', when you ride a VTTA time trial your actual finishing time is adjusted to compensate for age and classification (open or female), and whether riding a bike or trike. The Age Adjusted Time (or Distance for 12/24 hours) identifies the best overall vet's performances allowing for these differences. Age adjustments work in principle like the 'standard plusses' used by the VTTA until 2022, but they provide a more intelligible and comparable adjusted actual time.

The Age Adjustment system takes an age adjustment off the time you actually ride, giving you an Age Adjusted Time (AAT). This lets you compare your performance more easily with younger and older riders, and with yourself as you age. For example: female rider age 45 on a solo bike: Actual time: 59:50; Age Adjustment: 06:39; Result = AAT of 53:11 (59:50 minus 06:39).

The Age Adjustment tables are kept under periodic review to take account of the latest performances and the impact of up-to-date equipment and training methods. They are based on a sophisticated statistical analysis of over 100,000 rides in CTT events in recent years.

The Age Adjustments are listed in tables in this handbook and on the VTTA website. The website also provides a calculator to provide Age Adjustments for non-standard distances.

For solo bikes and trikes this is all you need to know:

- For **fixed distance events** (10 to 100 miles)
Age Adjusted Time EQUALS Actual Time MINUS Age Adjustment
- For **fixed time events** (12 and 24 hours)
Age Adjusted Distance EQUALS Actual Distance PLUS Age Adjustment

For tandem bikes and trikes this is all you need to know:

- **Combined Age Adjustment EQUALS Rider 1 Age Adjustment PLUS Rider 2 Age Adjustment**
- For **fixed distance** events
Age Adjusted Time EQUALS Actual Time MINUS Combined Age Adjustment
- For **fixed time events**
Age Distance EQUALS Actual Distance PLUS Combined Age Adjustment

The traditional standards times and distances are still available on the VTTA website, but can also be derived from the handbook tables by adding the age adjustment time for the age/gender/machine to the following baseline standard for a 40 year old open solo bike rider for the distances from 10 to 100 miles, or subtracting the age adjusted distance for the times of 12 and 24 hours:

10 Miles 26:04	15 Miles 39:16	25 Miles 1:06:00	30 Miles 1:19:32
50 Miles 2:14:48	100 Miles 4:41:14	12 Hours 217.95	24 Hours 375.60

The standard times and distances are minimum values, targets most riders in a VTTA event should achieve.

VTTA STANDARDS AWARDS

WHAT THEY ARE AND HOW TO CLAIM

For many years the VTTA has had a system of annual Standard Awards which are popular with many of our members. A standard award can be claimed for improving on one's previous best age adjusted time or distance at 10, 15, 25, 30, 50, 100 miles and 12 and 24 hours.

All the relevant information for a member is available in their membership account on the website (www.vtta.org.uk) under 'My profile' and 'My Standards'. This shows your target times and your current season improvements in terms of both age adjustment and for historical continuity 'plus'. We still use the term 'Standard Awards' because the Standard in the title refers to the standard distances and times - 10, 15, 25, 30, 50 and 100 miles and 12, 24 hours.

How to Enter for and Achieve a Standard Award

First, you have to **make a payment for Standards** to your Group before the start of your season in order to take part in Standard Awards. Most members make this payment at the same time as their annual membership subscription to their Group. You can make this payment on the website – see under Membership Extras on your 'My profile' page.

Second, you must have **linked your CTT and VTTA accounts** – if you have not done this already then follow the simple instructions in the 'Guidance Note for Linking VTTA and CTT Accounts' which you can find on the website in the Document section at <https://www.vtta.org.uk/library>

To gain your Standard Award you have to achieve the 'Target Time/Distance' shown in the 'My Standards' section of your membership profile. These targets are set on the basis of the previous best performance for which you claimed an award, adjusted for your age. If you have not previously claimed an award at a particular distance then your target is the 'base' time for your age and gender.

For each target you achieve you will receive an engraved medal. If you achieve multiple targets (typically 3 but depending on your Group) you will receive a plaque showing all your achievements.

Resetting your standards

Members whose standards results are more than 3 calendar years old, or who are changing their racing machine from tt bike to road bike or bike to trike may request their group recorder to reset their standard. A Reset will change the baseline result to the standard for their age, and the target will be to beat the baseline. This reset may be appropriate, for example, if you are returning to the sport after taking a break from racing. If a members wishes to change from any kind of bike to trike or vice-versa then the machine specified in their profile should be updated.

How to Claim your Standards Awards

You use the 'My Standards' section of your profile to make your claim for Standard Awards. This makes it quick and easy to claim your awards. The website system knows if you have already made a standards payment.

The My Standards page has two sections:

My Baselines: This shows your target for all distances to win an award in the current season.

Improvements on Baseline: This section will be populated with your results for the current season taken from the CTT website, which achieve or exceed your targets.

The Claim button: You will see a 'Claim' button after each improvement if you have purchased standards. If you have improved in more than one event at a distance (or 12/24 hours) then all improvements will be shown and you can select which one to claim for. You can claim at any point in the season but members usually wait to the end of the season when they can see all their improvements. Most members claim their best improvements, others may claim a lesser improvement as this will make their target easier the following year! If you are aiming for standards awards on a particular kind of bike, then you need to identify which machine you used for the claim. The system will not tell you the machine you used (yet).

Once you have clicked on a claimed improvement, you will see that your baseline is updated with the new performance. Your Group recorder will be informed of your claim and arrange for you to be presented with your medal or a plaque.

As you age, your targets change with the adjustment for being a year older. This makes them challenging but achievable.

If you need further guidance, you can read the full regulations as set out in Section 3.2 of the Constitution included in this handbook or the 'About' section of the website or you can contact your Group Recorder. If you have any problems viewing baselines, claiming improvements and/or ordering medals, please contact the itmanager@vttta.org.uk.

NATIONAL COMPETITIONS EXPLAINED

There are three National Competitions held each season. During the season you have to complete the necessary qualifying rides for each competition. You can have as many attempts as you wish at any distance (or time for 12 hours) but they must be in open events (those listed on the CTT website or a Scottish Cycling event).

Entry to competitions is free. To enter you should go to your membership profile on the website and link your CTT and VTTA accounts and also register for each competition you wish to participate in. Your CTT results will then get transferred to the VTTA website, where the competition results are displayed and updated automatically throughout the season. At the end of the season the final results are shown for the riders who have completed all the qualifying rides for the competition.

For more information on linking your accounts, see the website download 'Guidance Note for Linking VTTA and CTT Accounts'. To register for competitions you should log in to the VTTA website, go to 'My profile' then click the 'Competitions' tab. You will be then presented with a screen with three tick boxes for the current season's competitions and you should tick these according to distances which you expect to ride.

The full details for these national season long competitions are in sections 3.5 to 3.8 of the Regulations.

Best All Rounder (BAR) Competition

The BAR Competition is an annual season long competition in which competitors have to complete events at 25 miles, 50 miles, 100 miles and 12 hours. Rider's performances are taken as their Age Adjusted performance at each of these distances.

For each of the Age Adjusted Times and Distance the average speed is calculated. For 25, 50 and 100 miles the average speed is the distance divided by the 'age adjusted' time. For the 12 hour the average speed is the 'age adjusted' distance divided by 12. The four average speeds are then added together, divided by 4, then rounded down to 3 decimal places.

All qualifying riders are then listed in order of their average of Age Adjusted Speeds with the Champions (both open and female) having the highest speeds. It sounds complicated but basically all you have to

do is ride as fast as you can! The competition calculations just allow riders of different ages and classification to compete on a level playing field.

All qualifiers receive a Certificate of Achievement and VTТА medals are awarded to first, second and third open and female, to the best club team of 3 and the best VTТА Group team of 4.

A similar calculation occurs using actual times, so you can see how fast you have gone in real terms, and an 'actual fastest' award is made to both best open and best female.

Three Distance Competition

This works the same way as the BAR competition. Riders have to complete rides at 25 miles, 50 miles and 100 miles. Rider's performances are again taken as their Age Adjusted performance at each of these distances. All qualifying riders are then listed in order of their average of Age Adjusted speeds with the Champions (both open and female) having the highest speeds.

Awards are the same as for the Best All Rounder Competition.

Short Distance Competition

Again the same principles apply as for the BAR and 3 Distance. For the Short Distance Competition competitors must complete two rides at 10 miles and two rides at 25 miles. Rider's performances are again taken as their Age Adjusted performance at each of these distances. All qualifying riders are then listed in order of their average of Age Adjusted speeds with the Champions (both open and female) having the highest speeds.

Awards are the same as for the other two competitions except the VTТА Group team is for 6 riders.

NOTE TO THE AGE ADJUSTMENTS TABLES

Whilst the Age Adjustments Tables are not included within the regulations their basis and inter-relationships along with their review and modification process is noted here in order that it is formally documented.

The Tables are issued after review and approval by the NEC; if there is to be a change, it is implemented before the start of the season. Changes are not made during the season, unless it is correct an error.

The Tables provided in this handbook are introduced for all VTТА competition from the 2025 season and should be used in all VTТА events until further notice. The current tables are also available on the VTТА website. The website also has the facility to produce tables for age adjustments for any distance or time.

For 2025 we have used results data from the period 2015 to 2024. The Open class solo bike tables are based on a formula derived from this large database of results. The Female class tables are also determined from this database so as to produce a modification to the open class solo bike adjustments. The open trike adjustments are based on comparative results for those riders who use both bike and trike so as to produce a modification to the open solo bike adjustments. Tandem adjustments are calculated as a modification to the two combined individual adjustments. These modification factors are currently as follows:

- a) Female class solo bike speeds are age variable between 0.89% and 0.91% of the speed for open solo bike class at the same age.
- b) Trike speeds are set at 91.28% of open solo bike speed at the same age.
- c) Tandem age adjustments of a rider are set at 96% of half the age adjustment of the solo rider of the same age; the total tandem age adjustment is obtained by adding the age adjustments of the two riders.
