AGM proposal - Proposed by Mike Jupp and seconded by Nigel Jones.

That the West Vet editor ensures that in future issues of our journal the time trial results of members are included.

Reason. No results have sadly been shown in the past 4 issues - apart from our own 10 (at the time of making this proposal) This is in complete contrast to the previous 4 issues having 13 pages which showed the results from 90 events. Not to do so is against the prime purpose of why the Journal was originally created which was to inform members of others results and that purpose still holds true today for after all we are a time trial group!
