SHEFFIELD CENTRAL C.C. & MILLSBOURN C.C. INTER-CLUB 25 MILE TEAM TROPHY

The Sheffield Central cup was originally for a team competition at 25 miles between Sheffield Central CC and Meersbrook CC. For the period 1955 - 1968, the winners were: Sheffield Central 1955, 57, 58, 60, 63, 65, 66, 67 and Meersbrook CC 1956, 59, 62, 64, 68 (no result for 1961). Not sure what happened in 1969/70 - it may not have been awarded whilst its future was decided.

Since 2018 the trophy has been repurposed to the Women's Best on Standard in the Group 10.

Watson Trophy

Tandem 10 mile Best on Standard (from 2019)

PTO...

Dave Watson of Watson Bros Engineering in Swinton was a member of the group and he decided we needed a trophy for the Doncaster to Cleethorpes event. The 53 rods represent the 53 miles - each rod is longer as the race nears its finish. Dave died of a brain tumour in 1966.

The trophy was awarded to the winner of the Prestige Points competition until 2018, which is the best on standard rider of all the events put on by the Group. In 2019 it was repurposed to the Tandem 10 mile Best on Standard.
